BROW APHRODITE

Welcome — I'm Jina, your Brow + PMU artist, with over five years of experience in the beauty industry. As an independent artist, my journey began in a *home-based studio* and has grown into becoming a full-time *renter* and *educator* specializing in brow shaping. I completed my advanced trainings and mentorships with Brow by G, MJP Beauty, and Kiana Jade PMU, including an intensive six-month PMU apprenticeship.

My commitment as an educator is to help my students achieve, within one year, the level of brow artistry that took me five years to master. I guide you through your very first steps into the brow industry with hands-on learning, multiple live models, a premium professional kit featuring my favourite products, and a dedicated shadow day experience.

My artistry is rooted in precision, patience, presence, and gratitude — truly enjoying every step of the journey. This is more than just a brow business. It's about helping women rediscover confidence in their natural brows, simplifying their beauty routines, and creating a safe space where students can grow, express themselves, and build trust in their creativity.
