

BROW APHRODITE ARTISTRY

Welcome, I'm Jina— your Brow +PMU artist and Sugarist, with a combined 5 years of experience in the beauty industry. Solely operating as an independent artist, my journey started from a home based studio to becoming a full time renter and educator in brows and sugaring. I have completed my trainings and mentorships with BROW BY G, MJP BEAUTY, and KIANA JADE PMU in a six month apprenticeship for PMU.

My commitment is teaching my students to create beautiful brow results that took me 5 years, within 1 year. I'll guide you through your first steps into your Brow Artistry journey, with a premium professional brow kit of all my favourite products, hands-on learning, multiple live models, and a shadow day.

My brow artistry emphasizes precision, slowness, presence, gratitude, and enjoying every step of your journey. It's more than just a brow business, we're teaching women to love their natural brows again by simplifying their beauty routines and creating a safe space for expression, trust, and creativity again.
